## S.H.A.R.E AGRICULTURE FOUNDATION

PROVIDING A HAND UP, NOT A HAND OUT.

In the spirit of the season, as we reflect on our blessings and ways in which we can in-turn bless our greater community, we would like to highlight the work of S.H.A.R.E Agriculture Foundation. S.H.A.R.E is a foundation that Floradale has committed to support and whose mission truly resonates with our organization and community.

S.H.A.R.E., Sending Help And Resources Everywhere, is a Canadian registered Charity that was founded in 1976 by a small group of farmers. Over the last five decades this not for profit organization has supported countless families in the early days in Brazil, the Caribbean and Africa, and more recently in Honduras, El Salvador, Belize, Guatemala, Nicaragua, Haiti, Bolivia and even across the world in Cambodia.

### Some of their initiatives include:

- Family & Community Gardens
- Irrigation Projects
- Young Farmer Training
- Emergency Relief
- Farmer Funding

If you'd like to learn more about S.H.A.R.E or are interested in getting involved, visit their website at:

## POULTRY CORNER

### AVIAN INFLUENZA UPDATE

There has been another case of HPAI identified in North Middlesex. Floradale Feed Mill is no longer in an infected zone, with the lifting of Wellesley Township's Primary Control Zone. Floradale will continue to use "best practice" biosecurity measures. We will continue to monitor the situation and follow guidelines put in place by CFIA.
